Monthly Overview

The July meeting was an information session and discussion on anxiety and stress in students with disabilities and learning difficulties.

We were fortunate to have Kym Barrett, an experienced Psychologist who works with adults, children and adolescents, and former guidance officer at TGSHS, share her expertise and advice. It was an extremely informative and useful evening.

Monthly Overview
<p>On Saturday, 13th of July, 10 international students came to purchase their uniform. We also had a crush course on online orders from David and Trish Dunn. Thank you to both for assisting us and helping serving the students. We welcomed few new comers during the first week.</p> <p>We had to order more fleecy jackets due to increase in demand.</p> <p>Orders for 2020 has been finalised.</p> <p>We did another stock-take with Wendy and Leigh.</p>
New tasks / actions for next month
Familiarise with online orders.
Opportunities/requests for P&C consideration
<p>More storage space, especially during the busy period when stock arrives in January.</p> <p>We would like to request that the 2nd iPad and cash register is moved in parallel with the 1st square iPad. It would be easier for us to have the space to fold uniforms.</p>
Are there any issues / incidents / concerns?
<p>With current increase in online orders, we need more hours to finalise them, as the current hours are to rushing to handle all. Especially on Mondays, when the orders which are placed on Thursday and Friday in previous week are overwhelming.</p>
