TGSHS A4A Report to 10 November 2019.docx; Applied Positive Psychology Funding Opportunities.docx;

Hi everyone,

Please find attached the A4A report for 2019. I have also attached a funding request from APS (A4A has a strategic meeting planned for late November (likely 27 November) to discuss this request, and we hope to support a significant component of it.

I have one motion for the meeting on Monday night.....

Proposed motion: that the P&C support up to \$200 for tea, coffee, drinks, light refreshments for the A4A committee to conduct a strategic meeting (2-3hrs) to review the 2019 year, plan new activities for 2020 and attract additional hosts. Consequently, we would like to place a motion.

Many thanks

Steve and David

PS if we are a subcommittee now, great (David and I are happy to be interim Chair/Treasurer and Secretary and we will have some discussion of this at the strategic meeting).

Subject: Table for Open Day

Hi All

I believe we can have a table at Open Day from 4-7pm if any of the subcommittees want to. I would happy to have flyers near the BBQ area and chat to anyone who is interested as it is very early in the year to be engaging with next years parents but up to you all.

Just let me know.
