Monthly Overview

Staff members of the wellbeing committee have implemented a Pay It Forward initiative with the cafe. Staff have a pay it forward card which has a value of \$5 at a time which they pay and pass on to another staff member and so on so forth. As most of the purchases are \$4.30 the wellbeing committee has decided to donate the change to the cafe/PandC.

So far the first week of exam block for year 11 and 12 has been very quiet and our sales have dropped considerably. In future exam blocks it may be that reduced hours of service are necessary.

We have a new inclusion student trialing being our delivery person from next week, as Jordan our previous wonderful delivery person is about to finish year 12.

New tasks / actions for next month

Does the PandC want to continue to open 5 days in term 4? Term 4 will be slightly quieter with yr 12 only there for 2 weeks.

Opportunities/requests for P&C consideration

.

Are there any issues / incidents / concerns?
