

SHAPE fundraising for 2020 to date; limited opportunity to fund raise has impacted our plans for 2020. It is great to have sold some of our duffle bags through the uniform shop and to have had the chance to run the fundraising BBQ at athletics on July 31. From this day, \$1113.33 was raised.

The HPE faculty representatives briefed the SHAPE Committee on an update to revitalise the house system and some opportunities that may arise for the PandC to sell some house apparel in the future. Dave Moran met with Angela in the uniform shop earlier today.

The Sports Captains for 2019 proposed the painting of the bleachers on the oval. It is planned that this may be one to watch and support in the future as the development of the new house system unfolds.

SHAPE have registered with Bunnings to be on the list to host a BBQ in the coming months. Thanks to the P&C for supporting this venture. We are hopeful to be drawn for one of these in the coming months. Bunnings have adapted their protocols and require all BBQ captains to complete a course. Donna & Mick Philips and Dave Moran have agreed to attend this on behalf of the SHAPE committee.

SVP apparel has been on sale through the TRIBAL online shop. \$7950 worth of product was sold with an invoice amount of \$7665. This will leave SHAPE with a profit of \$285. Please expect this invoice in the week of October 12.

Thank you for your support.

Next SHAPE Meeting: Tuesday 27 October
