<b>Monthly Overview</b>
<p>Great interest from new yr 11 students. Lots of volunteers from hospitality and general students. Table and chairs are back out on request from Anne.</p> <p>New banana bread and Brownie recipes have been well received by students and staff.</p> <p>New mixer makes a major difference in time management . Twice as many items baked in half the time.</p> <p>Buying all baking supplies in bulk, much more time and cost effective. Means we buy less form Coles.</p> <p>Have increased the price of cookies from \$2 to \$2.50 and brownies from \$2 to \$3 to reflect size and cost.</p> <p>No complaints and sales are still consistent.</p> <p>Overall feeling extremely confident for this year. The introduction of Business Unit Operation Manager is a fantastic measure, which is positively uniting the Tuckshop and coffee shop in a way that can only increase productivity and profitability.</p>
