Hello

I'm not sure if the school is aware but there is an area where people are dropping off their children in Tandara street (near Nicholas park) as there is a great shortcut to the school. It gets very busy around drop off and pick up time. I live in Whitehead road near Tandara street and I have seen quite a few near-accidents. The visibility from Whitehead road to Tandara street is not great and it is only a matter of time before something happens. Various elderly people from this area have also spoken to me about their concerns.

I have just spoken with Brisbane city council and they will investigate to see if it can be made in to a school zone (ref 12997755).

Maybe something can be put in the news letter about this area and for people to slow down?

Please call me if you would like to discuss this further. My phone number is 0412009343.

Thank you for your time

Kind regards

Irene Keong
