

# PoPArts Report

May 2021

## **Trivia Night**

Our trivia night on 19 March was a great success, with an online bookings worth \$1726.72 and a further \$617.50 taken on the door (this figure needs updating – only reflects banking for April, so not sure it includes all square payments too).

## **Talent Quest**

The Arts captains are running a talent quest with a grand final night planned as a performance open to parents later in the year. House points will be given for participation in the talent quest so encourage your kids to enter.

## **Tula Events**

- Art Gallery Showcase 8 May. Beautiful talent on display from Year 7,8 and 9 art extension students and Year 12 art students.
- Concert performance 14 May. Our first live performance since pre pandemic times. Bookings online just to know numbers, gold coin donation and there will be a bar and snacks. Any volunteers for help in the bar on the night would be welcome.

## **Bunnings BBQ**

We have a date for a Bunnings BBQ at the Keperra store – 25/7/21.

## **Artist in Residence**

At our last PoPArts meeting we approved the funding of an artist in residence for Year 10 drama students.
